

# SuperSolutions

August 2007

## Annual Statements

With end of financial year reporting nearing completion, we are happy to advise we will be mailing information packs to members in September. The mailing will progress over a number of weeks, so some of your employees may receive their packs earlier than others.

Members will receive a pack containing:

- their annual statement and a summary of their account transactions
- a copy of the 2007 Trustee Report
- a transfer form

## End of Year returns

## Convenient hours to talk to us

To help you and your employees get information when you want it, our Customer Service Centre is open from 8.00am to 10.00pm weekdays (Australian Eastern Standard Time).

If you have any questions, or if we can help at all with your super, call us on 1300 304 044.

## Employer Services Representatives

Don't forget: our experienced Employer Services Representatives are also here to help you over any super obstacles that might pop up. They can explain everything from the basics and signing-up through to accessing RecruitmentSuper's services and making contributions easy.

To find out more, or to make an appointment, please contact the Representative for your state as listed below, or touch base with the Employer Hotline.

## Payslips

Do your payslips include Super details? In most circumstances, your payslips need to include the amount of super contributed for that pay period, and the name of the Fund the contribution was made to.

## In the Spotlight.

Name: Gil Sebbag

Position: Senior Representative -  
Employer Services (NSW/QLD/ACT)

### What is your role in a nutshell?

I am responsible for client relationship and business development. I also work to resolve escalated queries so employers can keep their business moving.

### What is the most important thing to know about Superannuation?

One size rarely fits all and the goal posts keep moving.

### What do you enjoy most about your job?

Our clients, the dynamic industry and my team. Never a dull moment at industry networking and client functions.

### Can you tell us anything exciting you're working on at the moment?

Recently returned from NZ where we have launched a KiwiSaver solution under our eo brand. It was encouraging to earn the support of our Australian based clients along with the larger NZ nationals. The NZ scheme is certain to entice the younger generation to save, given the government inducements.

### What do you enjoy doing outside work?

Fishing, Gym, Fishing, Socialising, Fishing, Cooking, Eating Fish, Tennis, Golf (I fare pretty well on the PlayStation version of golf).
