Under the Superannuation Industry (Supervision) Act 1993, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. A TFN may be disclosed to another superannuation provider, when your benefits are being transferred, unless you request in writing that your TFN not be disclosed. It is not an offence not to quote your TFN. However giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply): your superannuation fund will be able to accept all types of contributions to your account/s and the tax on contributions will not increase; other than the tax which may ordinarily apply, no additional tax will be deducted when withdrawing superannuation benefits; and it will make it easier to trace superannuation accounts in your name in future.
